**DETAILED ACTION**

1. Claims 1-4 are in the application.

***Claim Rejections - 35 USC § 102***

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1, 3, and 4 are rejected under 35 U.S.C. 102(b) as being anticipated by Johnson.

Johnson discloses a sunshade for a boat comprising an elongated shade panel 40 and spaced pivotal connectors 32 permitting the shade to selectively be deployed in a downward position or doubled over and positioned against a top portion of the canopy top.

***Allowable Subject Matter***

4. Claim 2 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
